A short presentation on each set of industry clusters will occur at each station, with an opportunity for Q&A to follow. As directed by the facilitator, participants will switch stations every 10-12 minutes. The intent of this activity is to obtain enough information to fill out a Priority Worksheet, where each industry cluster is rated on the basis of ten criteria.

**Stations for the Cluster Activity:**

1. Arts and Culture, Entertainment
2. Value-Added Agriculture, Forest Products
3. Health & Wellness, Recreation
4. Renewable Energy, Manufacturing
5. Technology, Security

*Please visit all of the stations.*

**IV. Break and Scoring of Industry Clusters, 3:00-3:15 pm**

During the 15-minute break, participants will finish scoring each industry cluster on the provided Priority Worksheet. Worksheets should be turned in to the facilitator as they are completed, no later than after the break.

**V. Industry Cluster Reports, 3:15-4:00 pm**

The Industry Cluster presenters will provide short reports to the larger group on the comments, questions and issues that were raised at their stations. Time permitting, we will take comments from the floor.

**VI. Industry Cluster Tallies, 4:00-4:15 pm**

The facilitator will announce the scores for each industry cluster.

**VII. Final Voting and Vote Results, 4:15-4:30 pm**

Participants will now vote for their top three industry clusters by placing one dot on three different boards around the room.
